

Are You Ready for The Great Backyard Bird Count?

Saturday
February 9
10:00 AM
Radnor Library
Winsor Room

Get involved with the National Audubon Society Great Backyard Bird Count! Steven Saffier from the PA State office of the National Audubon Society will familiarize you with some of the common winter birds you may see in your backyard and how to participate in the Bird Count. And yes...the mystery of how you count birds without counting the same birds over and over again will be explained! Raffle for attendees courtesy of Do it Best Hardware.
